

Lesson 1: The Woman and Her Purpose

Weekly reading and questions: February 20-25. Bring to your group on Sunday, February 26

Read Genesis chapters 1-3

Write your thoughts on the following questions:

1. As God spoke creation into existence, He would look back on what He created stating, "it was good." What was the one time God created something and said it was not good?

2. The bible states that man and woman were made in the image of God. What does this description mean to you?

3. What advice would you give to a woman or friend who is struggling with finding her purpose?

4. In what ways do you feel a woman can fulfill God's original purpose of a help-meet?

5. What are the biggest hinderances in our culture that influence women away from God's original design?

6. What woman has influenced you the most in your perception of your purpose as a woman? In what ways?
